Sam Lau

UC San Diego

# Announcements

Today: Mock Final Project showcase

**Fri June 6:** Final Project video highlights

**Sun Jun 8:** Final Project due

**Mon Jun 9:** Final Project Showcase

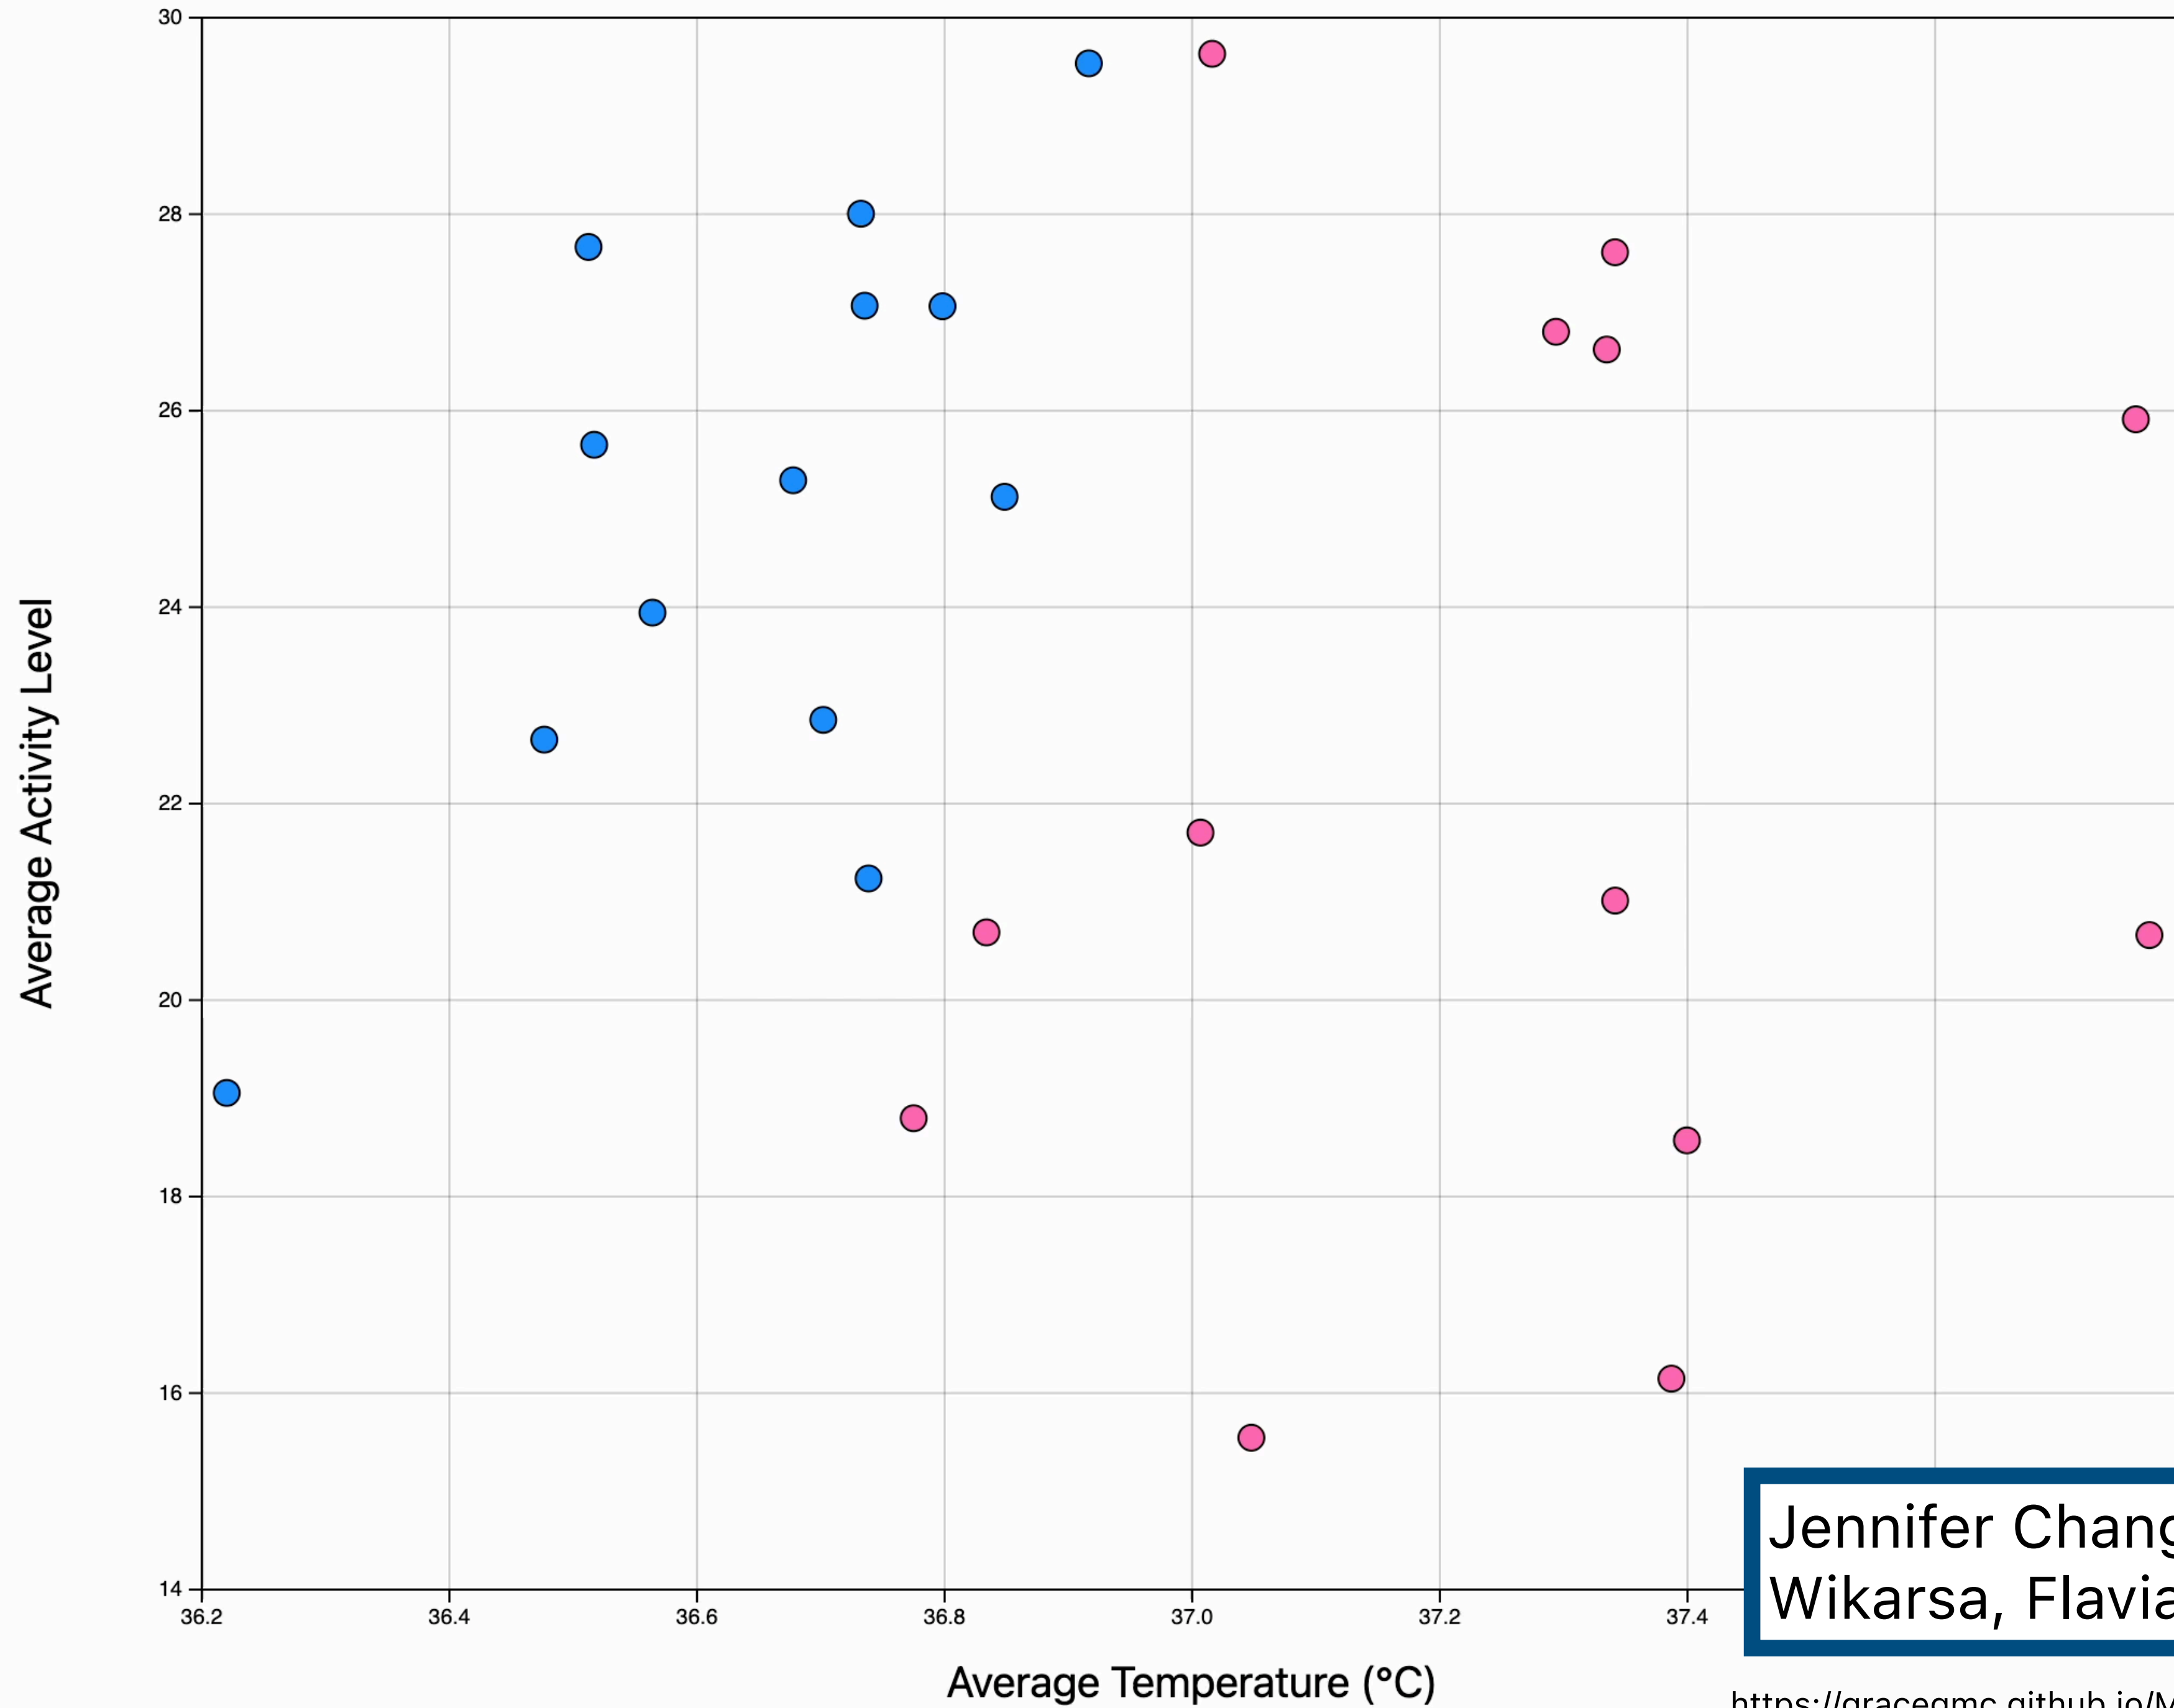

SETs due Saturday at 8am. If  $\geq 80\%$  of class fills it out, everyone gets +1% to their final grade.

My research group has a end-of-year showcase this Friday at 11am in CSE 2154. Hope to see you there!

# Project 3 Best Project Awards

Given to 8% of project submissions

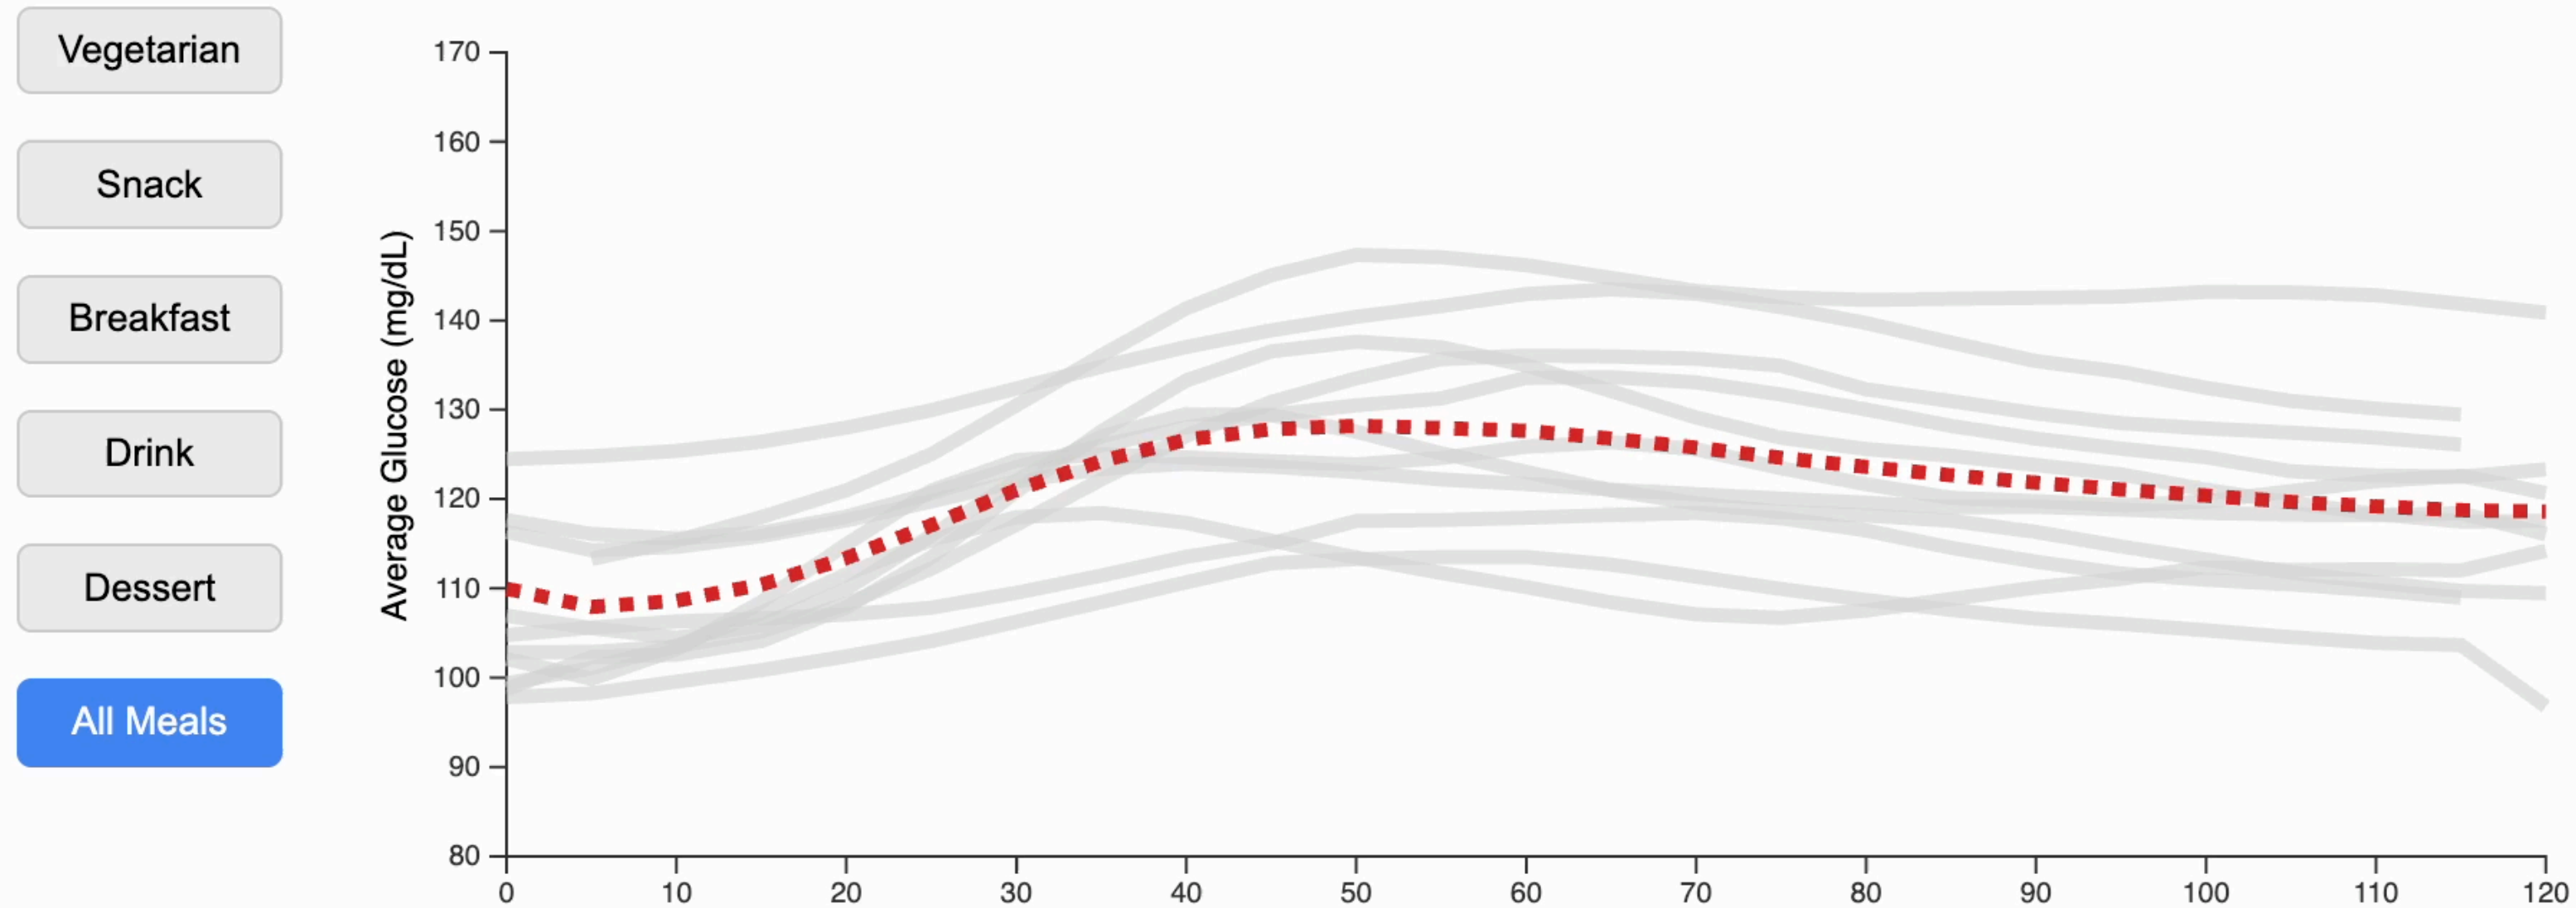

Include this on your resume!

Jennifer Chang, Grace Chen, Alyxandrea Wikarsa, Flavia Tedjarutjianta

# How do different meal types affect glucose responses?

## Average Glucose Response for All Meals

No patients selected. Showing data for all patients.

Carbohydrates Plot

# Mock Showcase Round 1

Half of your group are Presenters, other half are Audience.

1. Presenter group sets up laptop, presents work to people walking by.
2. Audience group walks around and looks at presentations, interacts with website, asks followup questions.
3. Audience shares: What were the strengths about the presentation and visualization? What could be improved?

What ideas did you find valuable from your peers?
