# Announcements

Today: Mock Final Project showcase

**Fri Jun 5:** Final Project video highlights

**Tue Jun 9:** Final Project due

**Thu Jun 11:** Final Project Showcase

SETs and Final Course Survey due Saturday at 8am. Filling out both will give you +1% extra credit to your overall course grade. (You'll submit screenshots of the confirmation pages via Gradescope.)

# Mock Showcase Round 1

Half of your group are Presenters, other half are Audience.

1. Presenter group sets up laptop, presents work to people walking by.
2. Audience group walks around and looks at presentations, interacts with website, asks followup questions.
3. Audience shares: What were the strengths about the presentation and visualization? What could be improved?

What ideas did you find valuable from your peers?
